“ *Amanda and I worked together for the past couple years. She was a real blessing and I will miss her. Such a pleasant person to be around and she always had on her bling!*

“ *If you are going to Shine - Shine the Brightest in your corner of the world ! That is the best way I can describe Amanda, as we knew her, and boy did she Shine. God clearly needed his Angel back, we are so grateful to have known her. She lived with genuine Grace, and Love and will be missed dearly.*

“ *Amanda touched so many lives.. Mine included Diesel. She adored my 190 pound dog(Diesel), and he loved her. Always willing to help others. She was an angel on earth. Now she's an Angel in heaven. Our hearts are broken, so many will miss you..💔 R.I.P.*

“ Amanda was a bright, caring, smart, and loving woman. She brightened the world of all who met her. She was a beautiful woman inside and out and her friends, coworkers, family and this world have lost a wonderful soul. Peace to all who truly loved and admired her.
