“ *A candle was lit in remembrance*

“ *I am proud to say Blaine was my brother-in-law, he was a great person, a wonderful loving and devoted husband to my sister Kelly Jo. He encouraged Kelly to step out of her comfort zone, to overcome self-doubt and fear, to believe in herself that could do anything she set her mind to doing. They were best friends, like peanut butter is to jelly. He loved and spoiled their dog Gracie, and was by nature a gentle man, a kind spirit. Blaine had a beautiful mind, a great sense of humor, a sports enthusiast and was a pillar of strength. He was also the voice of reason, influencing others to act sensibly using evidence and logic to solve problems. He personally walked me through more than one situation where I was at a loss for what to do, or how to handle something. I can't help but think of the many battles he must have fought and won every day, until it was just one too many. What a brave warrior, what a great light-filled soul. So go and run free with the angels Dance around the golden clouds For the lord has chosen you to be with him And we should feel nothing but proud Although he has taken you from us And our pain a lifetime will last Your memory will never escape us But make us glad for the time we did have Your face will always be hidden Deep inside our hearts Each precious moment you gave us Shall never, ever depart So go and run free with the angels As they sing so tenderly And please be sure to tell them To take good care of you for me*

“ We were beyond shocked to hear of Blaine's passing and can only imagine how difficult this unexpected event has been for his family. You are all in our thoughts and we pray that he has found peace and that you find strength through the support of others as you work through this difficult time.

“ Blaine and I met in the late eighties and became fast friends. He joked often that we were really good friends until he introduced me to his girlfriend, who later became his wife and my best friend for life. He said that she and I “go together like peas and carrots”. Blaine was a talented, intelligent and truly honorable person. My heart goes out to all who loved him. I am saddened beyond belief. I will miss him deeply.

“ *Blaine and I were great friends beginning all the way back to 1977. He was a character, and I mean that in the good way. I have a treasure trove of memories involving Blaine. He was a huge part of my life. Words cannot express the sadness I feel knowing that he is gone. But I will be forever grateful for having had Blaine as a friend!*

“ *I worked with Blaine for many months and found him to be exceptionally intelligent, humorous, and professional. He had a natural knack for picking up complicated workflows and processes. Its really a pleasure when I get to work with someone who not only gets what I'm talking about but agrees and can contribute ideas that made my work better. I was very sad when I heard he was no longer on the project and devastated to hear of his death. My thoughts a prayers are with his family. Please reach out if there is anything I can do.*
