Dorothy Inman Obituary

Loving Wife, Mother, Grandmother, Sister & Aunt. Survived by husband of 71 years Robert, son Robert F. (Dennis), daughter Gerry, son James & granddaughter Danielle. Always there to lend a hand when others were too busy. Opened her home to all her family's friends & always made them feel welcomed, loved & part of the family. Possessed a non-judgmental personality & accepted people for who they were. She always said that every job is important and whatever profession you choose be proud & give it your all. She was an avid reader & lost most of her eyesight to macular degeneration. She was also plagued by arthritis. Donations in her memory may be made to the American Macular Degeneration Foundation or the Arthritis National Research Foundation.

“ Gerry you mom and dad were the longest married couple I've ever known. I think back to all the Toys R Us days, going over to your house and how you mom and dad treated people, alot of love.... I'm sorry for your loss, it was so nice to be able to see here not so long ago. Gerry you know i'm just a phone call away! Love you Mike and Kayla Compton

“ Gerry, so sorry for your loss. Everything I have ever heard about your Mom (actually from Mike) has been positive. She was a loving and beautiful lady. I know she will be missed. Love to you and yours (never forget you!), Georgia

“ She is a most wonderful person and I will always remember her. She is absolutely the loving Wife, Mother, Grandmother, Sister & Aunt that is described, and she is also the loving Friend of the people she welcomed as part of the family. I am one of those friends that she opened her home to when I was very young and needing a place to get my start in adult life. I am eternally grateful and I will forever appreciate her. It is an honor to have known her.
