“ My awesome cousin, although years go by, family seems to be so far apart . I hadn't seen you in years. But I do have a lot of great memory's at grandma Carrie's house. You were funny and kind very sweet to me. You use to give me money to go around the corner for soda and candy. May you rest in peace. I pray the lord brings peace to your whole family. I know they will miss you.

“ *Doss, Though we haven't seen each other or talked in years, I will always fondly remember our time growing up together. Whether exploring the cave near your home in Placerville, going to the movies when you lived in Sacramento, or just playing in the back yard at my house, they were all great memories that I will always cherish. See you down the road Cousin.*
