“ *My heart goes out to Emily's family and Ryder. She was a bright light on earth and am thankful to have known her. I feel heartbroken. Much love to you all.*

“ *I'm at a loss for words, Emily will truly be missed. She had so much spirit and spunk, I am so grateful that we reconnected. I wish we would have gotten closer, having you as a friend was comforting. You are in my heart and my prayers are with your family.*
