Kenneth Allensworth Obituary

Kenneth Alton Allensworth

June 2, 1968 - March 26, 2025

Kenny was born on June 2, 1968, to Lew Dale Allensworth and Betsy Jo (Peede) Allensworth, in Newport News, VA. Lew and Betsy loved life, traveling and making memories. Ultimately, Lew and Betsy settled down in Sacramento, CA with Kenny and their 2nd born baby, Kristie Allensworth. Kenny graduated from Hiram Johnson High School in 1986. Kenny married Victoria (Gossett) Allensworth in June 1996. Together, Kenny and Tori built a wonderful life together filled with love, laughter, and cherished memories that they held very near to their hearts. They shared countless moments together, including: relaxing in their home, playing with their dogs (Deeohgee, Gracie, Allen, and George), watching football (he loved the Seattle Seahawks), fishing, hiking or taking spontaneous boating trips with friends. Kenny took pride in bettering himself and educating others to do the same .. always working on self improvement and being a smart business owner (he had a business selling high-end watches). Kenny had a fine tuned outlet for gardening and composting, always being consciously aware of environmental friendliness. He also had a unique skill for making different kinds of ice creams that all his friends and neighbors loved to indulge in and brag about to anyone who will

listen. Furthermore, Kenny had a caring nature for helping dogs and giving them a safe and loving home. With heavy hearts we announce Kenny, alongside his wife (Tori), died suddenly on the night of March 26, 2025. Kenny is survived by his father (Lew Allensworth), sister (Kristie Allensworth), nephew (Michael Vargas) and his two daughters (Analilian Caraway & Anjanette Allensworth)."
