“ After being friends since 1979, an usher at your first wedding, a supporter of your second wife, a kindred spirit, a partner in your dreams, a lifelong supporter, and a witness to the joy of your children, I will cherish my memories of you as long as I live. I pray that we will meet again in the next life. I love you my brother from another mother. My biggest regret is that I did not learn of your passing until 6/19/2019. Bill Clayton

“ Gone but not forgotten. R.I.P. Wherever you may be. I hope you found the peace you couldn't seem to find in this life! At times we were like brothers. I'll never forget our last conversation. You seemed so troubled, so angry. 30+ years as friends and colleagues. May God bless your soul, fond stories and memories! The Kaiman.

“ I still cant believe you're gone! My deepest sympathy for his family, may God bless you all. I am so sad about the passing of Ken, even though I hadn't seen him in a few years, I remember him very well. He was a good man and a great boss. Rest in peace my old friend.
