“ To the Fisher/McDaniel family, please accept my heartfelt condolences. I know that LaVon will be greatly missed by her friends and her family. I have known LaVon since I was a small child living in Stockton. Her brothers, James and Ples, are and were among my longest, greatest and dearest friends. I still appreciate all the kids that grew up on that block bordering Monroe and Madison on the West and East, and Weber and Market, on the North and South. I miss them all.
