“ *To a man with a big heart and quick wit. He and Aunt Eve were always good to my family and me. For all the memorable times playing pool and ping pong in our back yards, memorable fishing trips, and all the family get together's. He will be missed. Tracy*

“ *Peggy and Jim, We are sorry about your Father's passing, Peggy, but he will always be in our thoughts. Over all of the years, we had such good times with him. Your Mother will be remembered, also. Celebrate your Father's long life - he was a good person. Love, Jerry and Sharon Friesz*
