“ *I really thought Mark was making a solid recovery in so many ways. I am saddened by his sudden death.*

“ *Will always remember your seriousness, your many talents and skills, the great photos you took - I'm lucky enough to have a few. You were naturally ethical, fair and generous. We are appreciative of the many times you helped us and your work will live on - beautiful and useful. Like all of us, you were not always perfect - struggling with the inner demons. Such is life . You lived it Well and will be sorely Missed. Gone too soon.*
