“ Hi Helen thank you for your message ,i had not been on this site for a while,i miss Michael so very much ,if you want to corespond i wuld love to hear from u,Billie

Billie Herman - June 07, 2016 at 02:11 PM

HG

“ Billie, this is Helen. I talked with you on the phone right after Michael passed. I just happened to look at this site to see if there was any further information and saw the pictures you posted. Thank you for this. I am glad he found you, he looked so much happier and healthy. You must have been good for him. Thanks again.
