“ Steve and I were just getting to know him really well. I have enjoyed my interaction with him as a Girl Scout dad. He has been a great support to Chriss, Amara and Rayna as they get more involved with Girl Scouting. He has been willing to try new things with the girls and other members of our Girl Scout troops in the Roseville area. I know I will miss him as a friend and a Girl Scout dad. Steve and I wish all the best for the girls and they know we will help them as friends first and as part of the Girl Scouting family.
