“ *ROBERTA, I remember hanging with you and Robin when we visited and you laughing at me after not wanting to swim because half the pool was dark and I had just watched jaws. I thought there was a shark in there for real lol. I don't have a lot of memories but that one stuck. I was young when we visited but I have more memories of conversations we have had over yrs that I will cherish. I love you cuz, and I will miss you greatly!*
