Rose Wheeler Obituary

Rose Ellen Wheeler

May 6, 1969 - August 26, 2025

Rose was born on May 6, 1969, to Rose Constance Robles and Feliciano Laguna Robles, in Yucca Valley, CA. Rose graduated from River City High School in 1987. Shortly after graduating high school, Rose fell in love and got married to Kenneth Allensworth in 1989 and, together, they had 2 daughters. Although they did not stay together long, their love was remembered for a lifetime. Rose was a strong, smart, creative and independent woman, who raised 2 children on her own for 16 years until love crossed her path, once again, and she married Edward (Eddie) Leo Wheeler in 2009. Rose and Eddie created many memories together, including: relaxing at home, playing board games with the kids, watching movies, and traveling most of the United States together. Rose also fell head over heels in love with her work in the insurance industry and, ultimately, found a home at USAA Military Insurance, where she worked for roughly 13 years before she medically retired. Rose truly prided and educated herself on how to become the best version of herself. Inspiring others to do the same .. always working on self-improvement and spreading positivity with love. Rose had a lot of hobbies, including: crafting, sewing, painting, drawing, dancing, listening to music and many more creative outlets.

She also had a perfectionist mentality when it came to her baking and cooking. Her food was phenomenal and she loved feeding her kids, friends and family, whenever she had the chance. With deeply heavy hearts, we announce that Rose died on the afternoon of August 26, 2025 at home, surrounded with love. Rose is survived by her mother (Rose Constance Robles), sister (Rhonda Ramirez), nieces (Kayla, Rose & Elysa), nephews (Bernardo, Emilio & Chano), her two daughters (Analilian Caraway & Anjanette Allensworth) and 2 granddaughters (Ivorie & Alaina-Jo).
