“ What a loss! A loving wife, mother, daughter, grandmother, sister, aunt, and much, much more. You left your mark in this world. Holidays will never be the same! The spectacular Christmas trees, the model trains running through the house (set up by Nate (Roger sr), all the handmade beautiful gifts of which I have many. Your bright smile and happy laugh. I will never, ever forget you. Thank you for being my little brother's wife for over 49 years, I will try my best to watch over your family but I cannot fill your shoes. No one can do that. Love Barbara
