“ I can't remember a time growing up & as an adult that if I saw Sandra, I got a hug from her. She was someone who was always kind to all. Much younger than Steve or Myra, she had a lot to overcome. I'm sorry I lost touch after Pastor & Mrs. Neither passes away. She was in our house a lot growing up & I was in hers. I lovely person.

“ So very sorry to hear of Sandra's passing. We had been together in school and church for as long as I can remember. Prayers and blessings for you Steve and Myra and your families.
